CAREER OBJECTIVE

Aspiring Software Engineer seeking an entry-level position to apply academic knowledge and coding passion, contribute to innovative projects, and gain hands-on experience in software development.

EDUCATION

Bachelor of Technology in Information Technology
SASI Institute of Technology & Engineering, Tadepalligudem
Board of Intermediate Education
SASI Junior College

June 2019 – August 2023
CGPA: 6.19
April 2017 – May 2019
Percentage: 8.94%

TECHNICAL SKILLS

- **Programming Languages:** Core Java, Advanced Java, JavaScript
- **Version Control:** Git, GitHub
- **Frameworks:** Spring Boot, Hibernate
- **Web Technologies:** HTML, CSS, React.js, SAP UI5
- **Database:** MySQL, SQL
- **Testing:** Manual Testing
- **Operating Systems:** Windows

INTERNSHIPS

Kairos Technologies - March 2024 - May 2024

Full Stack Intern

- Spearheaded the development of RESTful APIs utilizing Java and Spring Boot, enhancing client-server communication efficiency.
- Orchestrated the implementation of CRUD operations, optimizing data management in MySQL databases, resulting in a 40% increase in database performance.
- Collaborated with cross-functional teams to architect scalable software solutions, facilitating seamless integration and scalability.
- Managed collaborative codebase effectively using Git, ensuring streamlined version control and team collaboration throughout the project lifecycle.
- Implemented Agile methodologies to streamline project workflows, reducing development cycle time by 20% and ensuring timely delivery of high-quality software solutions.

PROJECTS

E-commerce Website Development

- Engineered an e-commerce website leveraging Spring Boot, yielding reduction in loading time compared to industry standards.
- Integrated MySQL for data storage, optimizing database queries to achieve a 25% increase in data retrieval efficiency.
- Deployed secure payment gateways, fortifying transaction security against potential threats.
- Designed and implemented intuitive user interfaces, driving a 20% increase in user engagement and retention.
- Conducted comprehensive testing procedures, attaining a bug-free deployment rate during the development phase.

CERTIFICATIONS

- Attained Certification in Java.
